@ 12:30)

Friday, June 16 8:00 a.m. Senior
Breakfast @ the
Turf Room
Graduation @ 7:30
p.m. – please get
there by 7:10

ASB NEWS

During the last month of the school year, ASB has decided there will not be a dance after class night and they are currently planning something like a movie night.

May 12th – May 19th is Red Ribbon week. Each day of that week will focus on an aspect of helping students lead a healthier and drug free life. For example, ASB, with help from LEO club, are making breakfast on Wednesday, May 17th for a 15 minute break between 1st and 2nd period. The idea is to show that breakfast in the morning can be a good start for their day. For Red Ribbon week, ASB will also have certain pledges that students may participate in. On Monday, students may pledge to drink more water. Tuesday, they may pledge to be drug free. Wednesday, the pledge is to eat a better breakfast. Thursday there will be a no texting and driving pledge and Friday the pledge will be to be alcohol free. Also, on Thursday the 18th there will be pledge posters in the foyer at lunch. There will be a bunch of free stuff there as well.

Friday the 8th graders from Ferndale Elementary School will come to vote on ASB election for the following year and we will have Travis Loncaric with Spare Change performing some skits. After the skits, ASB will be giving tours to half of the 8th grade. The other half will be given tours on May 25th. ASB elections for all high school students will be on that Friday.

On May 25th, Erin Gruwell will be visiting the high school to give us a presentation on her first teaching job.

Prom is on May 14th and as always, Juniors are in charge. This year Prom is starting at 9:00 pm.
